A serious accident occurred on Friday evening last, which might have proved much worse had it not been for the daring effort of Edward Bridge. Mrs. H. Ryan, of Hillcrest, was driving to Coleman along with her son and daughter, and granddaughter. The horse took fright at the railway crossing and was making a terrific pace with its excited occupants when Mr. Bridge, who happened to be standing in front of the Union hotel, seeing the imminent danger, started the unfortunate decided to try to turn the horse off, which he did; but all were thrown out. The children escaped with a few scratches, but Mrs. Ryan was badly out about the head. Dr. Mackay happened to be on the spot and attended her injuries and afterwards conveyed her to her home in his car. Had it not been for Mr. Bridge we fear that a terrible fatality would have occurred.

Frank-Corbin Final

For Crahan Cup

On Saturday last Frank met Corbin on the Hillcrest enclosure in the final for the Crahan Cup. Both teams had their full strength in the field and were represented as follows:

Frank: Paton goal, Marples and Watson backs, Patterson, Tristram and Ayson half-backs, Hutton, Parker, Jordan, Marsh (captain) and Morrison forwards. Corbin: Walker goal, Strange and Clark backs, Watson, Whyte and Jackson half-backs, Lynch, O'Donnell, Cairns, Allen and Hill forwards.

Referee—T. Wilson. Corbin won the toss and started to kick down hill first half with a strong wind in their favor. Jordan started the ball rolling for Frank and the game was only in progress a few minutes when Parker almost scored with a fast high shot. The game was very fast from the start, both sides playing well.

Tristram re-appeared just before half time and in the last few minutes Marsh dropped back in his place. Corbin tried to take advantage of Frank being weakened, but Frank was in good form, the defence being unbreakable. Tristram re-appeared just before half time when the score stood 0-0.

Upon resuming, both sides tried hard to score, but could not get through, both Paton and Walker putting up able defenses. The game continued fast, and the spectators adding it to be the best game for the season, the game ending without a score.

It was then decided to play an extra 15 minutes each way in five minutes.

After the game had gone on for a few minutes in the first half, Jordan passed to Jordan, the latter put over to Parker who took a shot at the goal with a fast low one, putting it out of reach of Walker. Corbin began to put on more pressure, but could not break through and Frank was easing when time was called to change sides again. Play continued from end to end, Corbin making every effort to equalize, keeping up the pressure all through.
